Thanks for another great year and we appreciate all the members, guests, and sponsors that support our organization. Our lineup of speakers in 2018 included members of the local academic community, environmental professionals, and various regional, county, and state agencies. Because of your support we raised over $5,000 for scholarships and awarded two $2,500 scholarships to local students in 2018.

This year, we will be awarding three local college students with $2,000 scholarships for the Fall 2019 semester. If you or someone you know is interested, please see page 2 for more information on how to apply. The 5th Annual Dave Breault Memorial Golf Tournament will again be held in the fall, and with your support we hope it will be more successful than ever. In addition, we will be coordinating another member field trip this year, so watch your inboxes for more information.

We thank you for your continued support and encourage your comments and recommendations for future speakers and field trips.
Most speakers make their slide shows available to the A&WMA community after their presentation. For more information on any past topic, please visit: http://www.nvawma.org

Thank You, 2018 Luncheon Sponsors!

The Nevada Section of A&WMA is offering THREE merit-based scholarships, in the amount of $2,000 each, for Fall 2019 term undergraduate students who are enrolled in baccalaureate engineering or sciences majors. To be eligible to apply, you must:

- Be currently enrolled in good standing as a declared undergraduate major in engineering or the sciences at UNLV or NSC with a graduation date of Fall 2019 or later.
- Be enrolled as a full-time (12 or more credits) undergraduate student.
- Have a cumulative GPA of 3.00, or higher, and not be on academic probation or suspension.

Application packages are due to nvawma@gmail.com by March 30, 2019. Visit http://tinyurl.com/nvawma2019 to download the form.
